## Shipping Costs

The typical shipping cost is €50.00 per order but may vary based on type of order and destination.

## Lead Times

Smaller numbers of VT01s & VT02s are available ex-stock and can be shipped within a few working days of receipt of payment. Large batches may take longer. Customers should contact [sales@varadis.com](mailto:sales@varadis.com) for an accurate estimate of the lead time involved for a specific quantity of either type.

## General Terms & Conditions

Prices are in EURO (€) and do not include VAT, customs duties or local taxes. The customer is responsible for ensuring that the full payment is transferred in advance of shipment.
